- 7.2. In accordance with Class Rule B.3, all boats must carry aboard the current Measurement Certificate and Inventory of Required and Optional Equipment.
- 7.3. A boat and/or its equipment may be inspected at any time for compliance with Class Rules by the Governor or Circuit Rep, a J/24 class measurer or race official prior to, during or at the conclusion of each regatta, and without prior notification. Any violations of the Class Rules shall be subject to penalties as set forth in the Sailing Instructions.

8. PERTINENT CLASS RULES & CHANGES TO CLASS RULES

- 8.1. Pursuant to Class Rule C.2.1, all crews must consist of at least three (3) persons with weight not exceeding 400 kg (882 lbs). Boats shall sail with the same crew during the regatta. **Crew will not be officially weighed. However, crews shall not exceed the 400 kg (882 lbs) weight limit and will be subject to protest or inspection at any time during the Regatta.**

- 8.2. Not more than one mainsail, one jib and one genoa shall be carried aboard. In the event a mainsail, jib or genoa is damaged beyond repair during the regatta, boats may request a sail replacement by submitting a request in writing to the race officials, evidencing written approval by the Governor or Circuit Rep. Said request may be made at the first reasonable opportunity. Replacement sails shall comply with Class Rules.

- 8.3.3. A competitor or technical committee (which includes the Circuit Rep and/or Governor) may submit a protest for violation of Class Rules C.10.2(a) or (b), as amended. If a violation is found to have occurred, the race officials shall impose a scoring penalty of 40% as calculated by RRS 44.3(c), applied to the race(s) in which such violation occurred, without a hearing.
- 8.4. Pursuant to Class Rule A.9.1., the mainsail, 150% genoa and spinnaker must all have the same sail numbers as their boat's hull number. Any boat whose sails do not match their hull number may race in the regatta, but requires that the helmsperson submit a written request to the protest committee informing them of the sail and number in which they will be competing with, and will include the prior approval of the Governor or Circuit Rep at least 2 hours prior to racing on the day in which the substitution is requested.
- 8.5. Any requests and replies to sail number changes, crew substitution or sail replacement shall be posted on the Official Notice Board.
